

Rakhi Festival Celebration with the Children of Rotary Bal Vikas Kendra

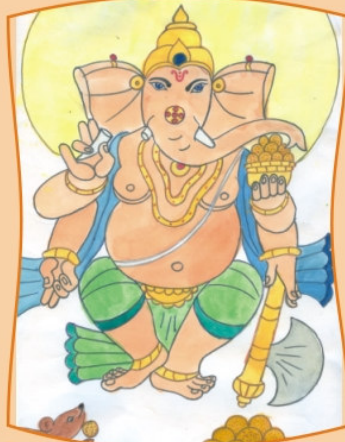

On 16th August 2011, members of the Interact Club visited Rotary Bal Vikas Kendra to celebrate the festival of Rakhi with the children. The children of Rotary Bal Vikas Kendra were very happy and enthusiastically participated in the festival with the members of the Interact Club of M. C. Kejriwal Vidyapeeth. Each child of the Bal Vikas Kendra was presented with a Rakhi. They were also given chocolates. It was an enriching experience for both the children of Rotary Bal Vikas Kendra and the Interactors.

Sackful of Dreams

This question is of a different kind.
We youth possess a decisive mind.
It's a time for revolution.
My dreams are under construction.
To shine like the sun.
Is hardwork shot out of the gun.
Talent is God's gift
By which mountains can shift.
Positive attitude and courage are the pros
Whereas cheating and shortcuts are the cons.
Respect and moral ethics are in the gain
Wrong path would only bring pain.
So it's upon you to take the first step towards your dream.
Who knows you may be the nations cream!
Think upon your Dream and Act wisely

Rithik Jain - VI C

Save the Environment Save the Earth

Plant a tree at every door,
Make the air fresh and pure.
Treat the waste before it is thrown,
Seeds of your death are not yet sown.
Walk the way if you want to go
Follow this and then you'll know
Make nature your friend, not foe.
To have a future safe and secure

PLANT A TREE !

Ajit Singh, VI B

जो माँ की ना सुनेगा

माता पिता को जो प्यार करे, वो लोग निराले होते हैं
जिसे माँ का आशीर्वाद मिले वो किस्मत वाले होते हैं ।

चाहे लाख करो तुम पूजा, और तीरथ करो हज़ार
मगर माँ - बाप को ठुकराया तो सब कुछ बेकार

जो माँ की ना सुनेगा, तेरी कौन सुनेगा

जो माँ को ठुकराएगा, दर - दर की ठाकर खाएगा

जो माँ की ना सुनेगा

चाहे लाखों कमा लो
चाहे कराड़ों भी कमा लेना
जिसने माता को नहीं जीता,
धिक्रार है उसका जीना ।

Alligators

The alligator is a large reptile. It has a massive body, a thick tail and a broad U - shaped snout. Alligators have tough skin, which is ridged with small stripes on their backs. Alligators are quick swimmers and move through the water by sweeping their heavy tail from side to side. They can also walk on land with the help of their short and strong legs. Alligators are of two kinds, they are American Alligators and Chinese Alligators. They are very great land travellers and can run at a speed of 30 miles per hour. Alligators spend most of their time buried in mud or in deep holes, known as gator holes. Alligators will eat almost anything they come across. They hunt at night in the water and on the bank of rivers. Juvenile alligators feed primarily on insects, amphibians, small fish etc. Very large Alligators may even catch pigs, deer or cows when these animals come to the river to drink water. Alligators are adapted to an aquatic lifestyles. Their ears and nose close automatically when they go underwater. Their large and heavy tail help them to move effortlessly through water. Alligators have a special third eyelid which help them to see underwater.

Teacher's Day

Teacher's day is celebrated on 5th of September every year. On this day in 1888 Dr. Sarvapalli Radhakrishnan was born. He was a great teacher. He became the President of our country in 1962. Every year on this day teachers are honoured in schools and colleges of our country. We honour our teachers and thank them for their efforts to train and educate students to make them better human beings.

Mohit Jain, VB

Independence Day

India became free from the British rule on 15th August 1947. Every year, this day is celebrated as the Independence Day. On this day, the Prime minister hoists the National flag at the Red Fort in New Delhi, and addresses the nation. Celebrations are held in all the States and Union Territories. Children attend the flag - hoisting ceremony in their schools. They sing National Anthem. Freedom fighters or people who gave their lives for India's freedom are honoured on this day. We always feel proud of our freedom fighters and our country.

বর্তমানে বাংলা

হে ঈশ্বর, তুমি বিভিন্ন রূপে ধরায় এসেছ,
কতই বা তোমার মহিমা !
নাস্তিকদের অস্তিক বানিয়েছ
সমাজ বিরোধীদের বানিয়েছ
তবে এখনও এত সন্ত্রাস কেন বাংলায়,
যে বাংলার মহাপুরুষদের স্মৃতিস্থান।
শহরে বা গ্রামে দিকে দিকে গনহত্যা-
এ বাংলার কৃষ্টি ও সংস্কৃতির লজ্জা
হত্যা হচ্ছে ভূমিপুত্র, নিহত হচ্ছে গনতন্ত্র -
নিযতিত হচ্ছে বাংলা মাতা,
কতই আগ্রাসন, সন্ত্রাস কত
সংগঠিত জাতি বাঙালি, মধুর ভাষা বাংলা -
তবে কেন এই সুন্দর সমাজে এত যন্ত্রনা ?
নদীমাতৃক বঙ্গে আজ বুঁজে যাচ্ছে নদী -
চারিদিক শিল্পায়ন হচ্ছে, ধ্বংস হচ্ছে কৃষি।
স্বজন - পোষণ, অর্থ নয়ছয় - এ ঢেকে গেছে প্রশাসন
খুব তাড়াতাড়ি সংস্কার চাই, চাই সুষ্ঠু শাসন।

স্বাস্থ্য ব্যবস্থার বেহাল অবস্থা -
হাসপাতালে চলছে বেড়াল - হুঁদুরের খেলা।
শিক্ষা ব্যবস্থার অনুন্নতি -
কুলে - কুলে শিক্ষার নামে চলছে দলবাজি।
সাম্প্রদায়িক অধিকারদান - এক বিরাট ফাটর -
সামাজিক ন্যায় - বিচার চাই। চাই সমানাধিকার।
জল - নিকাশী, পূর্ত ব্যবস্থা - উল্লেখযোগ্য উন্নতি -
ব্রিজে - ব্রিজে ফাটল ধরেছে, চোখে পড়েনা কারোরই
অতএব, খুব শীঘ্রই প্রশাসনিক ও সামাজিক সংস্কার চাই,
সন্ত্রাস, দুর্নীতির অবসান চাই।
বন্যা হচ্ছে চারিদিকে, বেহাল নিকাশীর কারণেই।
অতএব, খুব শীঘ্রই প্রশাসনিক ও সামাজিক সংস্কার চাই।।

অভীক সরকার, ৮ক

Prafulla Chandra Roy

Prafulla Chandra Roy was born on 2nd August 1861 in Raruli-Katipara, a village in the district of Khulna (now in Bangladesh). In 1889, he was appointed Assistant Professor of Chemistry in Presidency College, Calcutta. He was a pioneer in the pharmaceutical industry in India who started making chemicals at home. He was a successful and an inspiring teacher. His lectures glowed with humour and wit. He was a scientist who won international acclaim. He was one of the greatest scientists India has ever produced.
