

**DEDICATED TO
EXCELLENCE**

M. C. KEJRIWAL VIDYAPEETH

Boys' School Affiliated to CISCE, New Delhi

WELCOME TO M.C. KEJRIWAL VIDYAPEETH

M.C. Kejriwal Vidyapeeth in its 25 years of journey towards excellence has been successful in proving true to the words of William A. Foster- “Quality is never an accident; it is always the result of high intention, sincere effort, intelligent direction and skillful execution; it represents the wise choice of many alternatives.”

It has been able to carve out a niche for itself by giving wings to the unbridled imagination of every child who walks into the gate of this temple of learning. The institution embarked on its path towards educating the young minds of tomorrow way back in the year 1997. **Our special tribute to Sri. Shyam Sundar Kejriwal, the visionary who envisioned M.C. Kejriwal Vidyapeeth and founded this institution with a missionary zeal to foster futuristic education.** It is an English medium all boys’ school affiliated to the Council for the Indian School Certificate Examinations (CISCE), New Delhi with a vision to nurture its students to become contented, rooted, dynamic and contributing citizens of the world. The school firmly believes in the ethos that every child is unique and special and develop at their own pace and in their own way. Teachers as facilitators provide resources, opportunities and monitors the growth of each individual towards self-learning.

The school provides the state-of the-art infrastructure with a combination of well-equipped laboratories, audio-visual classes that not only help students to develop in the field of scholastic subjects but also excel in the co-scholastic areas in a stimulating, joyful and facilitative environment. The sapling planted 25 years ago has now branched out far and wide providing an ideal grooming ground to the future citizens of the world.

CHAIRMAN'S MESSAGE

Kishan Kumar Kejriwal

Matt Mullenweg had rightly said, "Technology is best when it brings people together." Previous year, when the world was struck by a pandemic as a deadly virus laid its icy hands, we witnessed a huge transformation in every sphere of our lives. In the beginning of the lockdown phase, when we seemed to be 'on a darkling plain' swept with dismay, struggling and fighting the odds, technology brought us together. It helped us to communicate, bridge the gap caused by this unforeseen situation. However, it was we who controlled the digital mechanisms and that resulted in miracles. We did not have to pause for a moment and our voyage of reaching out to the community proceeded unhindered. During this time, our bonding with humanity strengthened...the humane attribute of ours came to the fore which in the mundane lives of ours had taken a back seat. We shared, cared, healed and stood by each other. Compassion, fellow feeling rejuvenated the world and motivated all to move ahead with renewed vigour. We welcome you to M. C. Kejriwal Vidyapeeth, a school which has inspired new-age learners with a progressive education ecosystem. Since inception of this school, our mission has been to impart education that blends Indian values with global best practices. We believe that all the stakeholders including the parents, teachers, and administrative staff have an integral role to play to nurture thinking and responsive individuals who will make a difference to the world. As an institute we are dedicated to excellence and prepare your children not only for higher education but also for the future challenges and opportunities. We look forward to giving your children the wings to reach the pinnacle of success and glory.

PRINCIPAL'S MESSAGE

Mallika Mukherjee

We, as an educator, are aware of the difficulties you face in selecting the right school for your child. Each school has its own ideals and policies in imparting the best possible education to every student. M. C. Kejriwal Vidyapeeth is a step ahead as far as the holistic development of a child is concerned. We believe in quality and innovation. Our well qualified, dedicated and talented teachers ensure that our students learn the skills of 21st century without losing touch with traditional values. Each child is given opportunities to grow to his full potential in a congenial environment. We also encourage parents' involvement as we believe parents are equal partners in shaping a child's future. Not only the health but also the safety and security of each student is our topmost priority. Moreover, the hard working and efficient administrative staff make the environment very conducive to learning. We are committed to moulding our students into responsible citizens with a broad outlook, well-equipped to face the outside world.

I am really fortunate to be a part of this reputed organization. If you put your ward in this institution, I am sure yours and your child's aspirations can be achieved to a large extent. We will be privileged to have your child amongst us and looking forward to the opportunity to groom your ward and prepare him to fulfill his dreams.

OUR VISION

To nurture our students into individuals who are motivated to think, question, adapt, and grow so that they excel individually and contribute towards the betterment of our society, country and the world.

OUR MISSION

- To impart a value based and multi-faceted education through a broad-based and dynamic curriculum that would promote various aspects of a child's development: spiritual, emotional, intellectual, academic, physical and social
- To foster a love of learning, leading to the habit of life-long learning
- To instil a spirit of tolerance and compassionate service
- To encourage empowerment and personal and professional development of those involved in our students' education

SCHOOL VALUES

At MCKV, we undertake to

- Provide a safe and happy work place
- Promote a thoughtful attitude towards the immediate and wider environment
- Foster self-esteem and personal responsibility, linked to respect for the needs and feelings of others
- Facilitate considerate and positive relationships between all members of the school community and help children grow into reliable, independent and positive citizens
- Ensure equal opportunities in relation to gender, race, class, special needs and belief
- Value and respect all cultures and religions

III to X:	8.40 a.m.to 3.00 p.m.
XI to XII:	8.40 a.m.to 2.20 p.m.

OUR SCHOOLS

FOUNDATIONAL STAGE PRE-NURSERY, NURSERY, KG AND CLASSES I-II

The Foundational Stage incorporates all the principles of Early Childhood Care and Education (ECCE) and the curriculum framework of this stage is based on NEP 2020 which emphasizes the interrelated domains of holistic development through an integrated and play based approach focussing on development of life skills.

There is no formal examination. The children are evaluated continuously through activities conducted in the class in order to monitor their overall development. In classes I and II, children are evaluated on the basis of Formative and Summative Assessments.

PREPARATORY STAGE CLASSES III to V

The Preparatory Stage consists of Classes III to V. Although the curriculum for this stage is prescribed by the Council for the Indian School Certificated Examinations, we constantly update the methods, practices, and ideas that go into its delivery. Learning by doing and observing is encouraged at MCKV, which helps to realize the latent potential and talents of the tender minds, and converts them into active learners.

In Classes III to V also children are evaluated on the basis of Formative and Summative Assessments. Children at this stage also are also introduced to the idea of a formal examinations. Transition to the next class is determined on the basis of overall performance throughout the year in both the Academic and Non-Academic spheres

MIDDLE STAGE CLASSES VI TO VIII

Subjects taught: English, Mathematics, 2nd Language (Hindi/Bengali), Social Studies (History, Civics and Geography), Science (Physics, Chemistry, Biology), Computer Studies, 3rd Language, General Knowledge, Moral Science, Art and Craft.

Middle Stage years are the pivot point between the Preparatory Stage and the secondary stage. The academic curriculum hence is designed to instil a healthy respect for hard work and to develop sound formal study skills. The students are prepared for the rigorous academic requirements of the secondary stage. The Middle Stage experience helps the students to gain confidence and push their boundaries of knowledge even further

SECONDARY STAGE CLASSES IX AND X

Subjects taught: English, Mathematics, 2nd Language (Hindi/Bengali), Social Studies (History, Civics and Geography), Science (Physics, Chemistry, Biology), Computer Applications/Commercial Applications/Economic Applications.

In Secondary Stage, the scope of academic learning expands and gives students a wider perspective of education. At this stage, students are prepared for their first public examination, the Indian School Certificate Examination (CISCE), conducted by the Council for the Indian School Certificate Examinations. Therefore, the emphasis is on academic rigour, diligence, consistency and regularity. Students also get the experience of working independently on projects related to their subjects, which, in turn, develops research skills in them

Classes XI and XII

Subjects taught: Science: English, Mathematics, Physics, Chemistry, Biology/Computer Science/Economics

Commerce: English, Mathematics/ Business Studies, Hindi/Bengali/ Physical Education, Commerce, Accounts, Economics/Computer Science

Humanities: English, Mathematics/History, Hindi/ Bengali/ Physical Education, Geography, Political Science.

At this stage, students are trained to learn independently, develop resilience and confidence, and become well-rounded individuals equipped with the 21st century skills needed to face the challenges of the outside world and become global citizens. At the end of Class XII, students take the Indian School Certificated (ISC) examination, conducted by the Council for the Indian School Certificate Examinations (CISCE).

TEACHING METHODOLOGY

MCKV believes that good teaching practices not only enhance communication between teachers and learners, but also provide learners an opportunity to apply their knowledge and skills in the practical world. Therefore, at MCKV, learning is no longer confined only to the classroom and laboratories, but is also linked with the world outside. Our pedagogical practices include activities that help children learn from experiences beyond the school. The rapidly changing world demands multi-dimensional pedagogies that help a child to become a well-rounded personality.

The following approaches are used in the middle and secondary stage to make learning more effective, and to help each child develop into a pro-active learner and a knowledgeable and responsible individual.

- Multi-sensory instruction
- Peer learning
- Flipped learning
- Dramatization
- Role play
- Projects based learning
- Case studies
- Exhibitions
- Simulation using low cost teaching materials
- Powerpoint presentations
- ICT
- Educational excursions
- Career counselling

GLIMPSES OF CAMPUS LIFE

M.C. Kejriwal Vidyapeeth provides a holistic learning environment for the new-age learners. - Cricket
- Karate
- Skating

PERFORMING AND VISUAL ARTS

- Vocal Music
- Drums
- Guitar
- Tabla
- Synthesizer
- Dance (Indian and Western)
- Drama
- Film making
- Painting
- Clay-Modelling

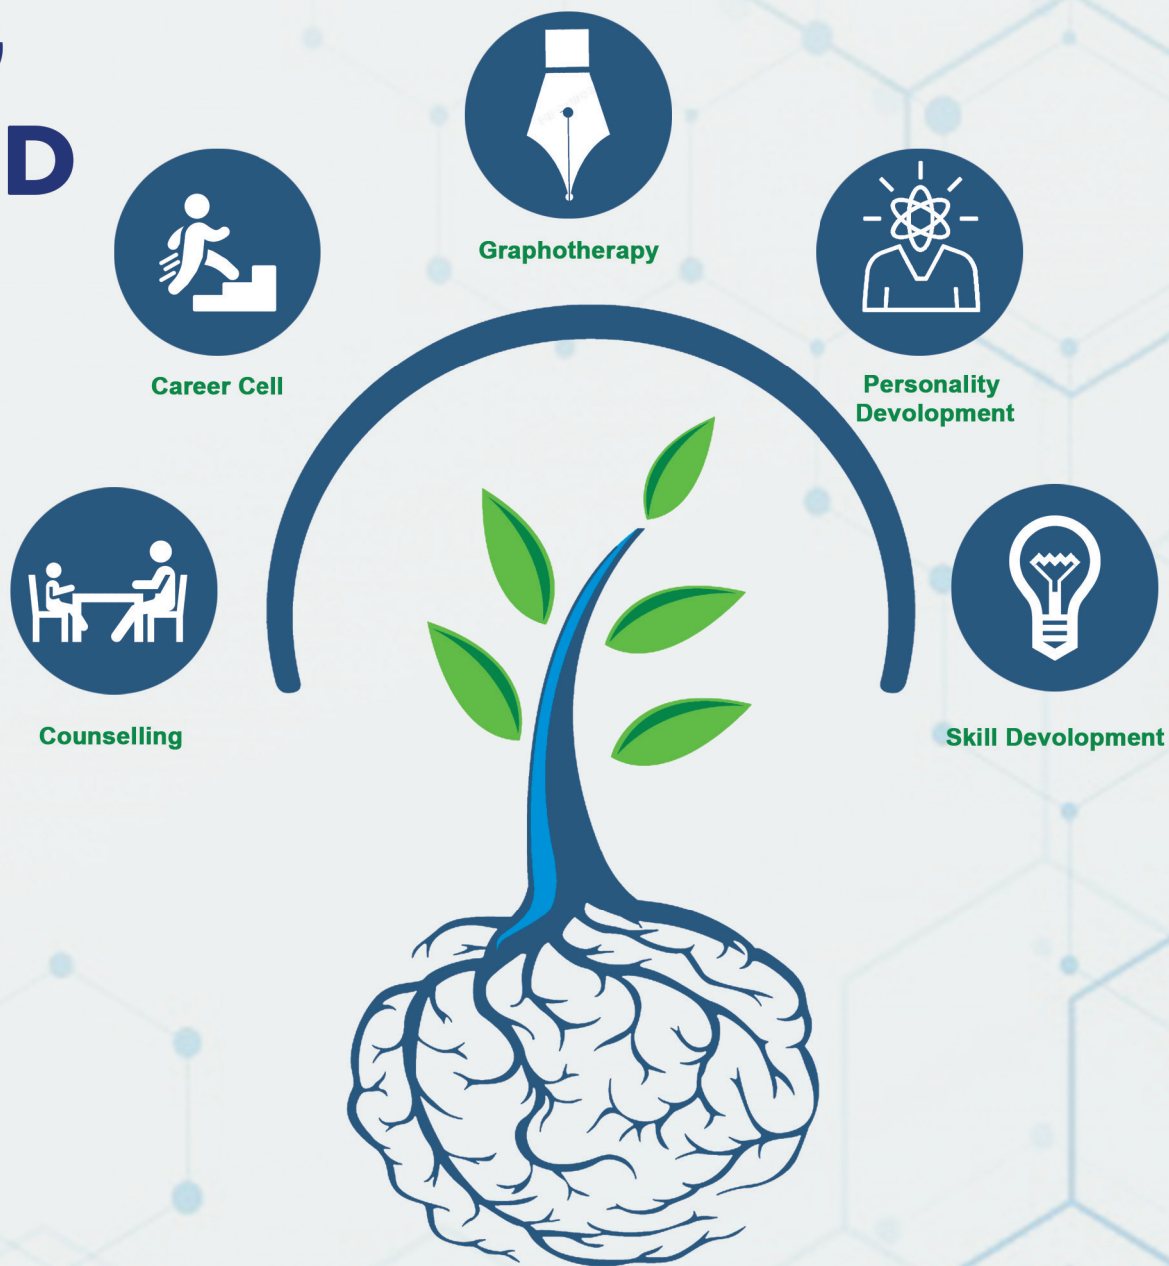

SCHOOL CLUBS

- Physics Club
- Chemistry Club
- Biology Club
- Computer Club
- Model United Nations Club
- Robotics Club
- Quiz Club
- Gardening Club
- Language Clubs (English, Hindi, Bengali, French)

NURTURING EMPOWERED MINDS

MCKV School recognises the holistic nature of child development and the role of a fun-filled, safe and happy learning environment to nurture our students. Our school curriculum along with extra-curricular activities inculcates in children the qualities of curiosity, exploration and discovery of knowledge. We ensure that our students are prepared for all challenges and opportunities in life through all-round endeavours beyond classroom teaching-learning experience. We counsel our students with a team of experienced and qualified counselling psychologists to assist them in managing their social and emotional needs and problems. Our Career Cell equips students to take informed decisions about higher education and careers with effective counselling and scientific psychometric aptitude tests. Moreover, some of our teachers have received training in Graphology and used this specialized expertise to help students overcome their difficulties and behavioural problems. MCKV students are also encouraged to develop a balanced personality and leadership abilities through interactive seminars and workshops conducted by the experts.

ACHIEVEMENTS & ACCOLADES

Many of our students, after graduating from MCKV, are accepted for admission in the top institutions of higher education of the country. Today, our boys study in such famous institutions as the Indian Institute of Technology, Kharagpur; Sri Ram College of Commerce, New Delhi; All-India Institute of Medical Sciences, New Delhi; Indian Institute of Management (Ahmedabad, Bengaluru, and Kolkata); in Kolkata, St. Xavier's College, Presidency College, Jadavpur University, and so on.

MCKV'S remarkable success story has been recognized by many achievements. To name a few:

The International School Award by The British Council has been received by the school for three consecutive periods.

MCKV is the second school in India and South Asia, after The Doon School, to become a member of the International Boys' Schools Coalition.

MCKV is a part of School Enterprise Challenge, a global awards programme for schools around the world to establish innovative school-based businesses.

AWARDS

The MCKV Interact Club has been declared the Best Interact Club in Rotary International District 3291 for several consecutive years.

The School has been the recipient of the prestigious Telegraph School of the Year Award

Many of our Scouts have received the Governor's Medal, and have been personally honoured by His Excellency, The Governor of West Bengal, in Raj Bhavan.

ADMISSION PROCEDURE

For the convenience of the parents who would like their children to study at MCKV, our admission process has been made completely online. Please log on to our school website www.mckv.edu.in, click on the Admission link, and complete the registration procedure after reading the instructions carefully.

Registration does not imply admission to MCKV. Admissions are finalized only after an interaction with the parents and the child.

Scholarships:

MCKV awards a tuition fee concession to high achievers based on meritorious performance in ICSE Board examinations. The concession remains in force in Classes XI and XII.
