

**Md. Shahid Dayer, 12 C
School Captain**

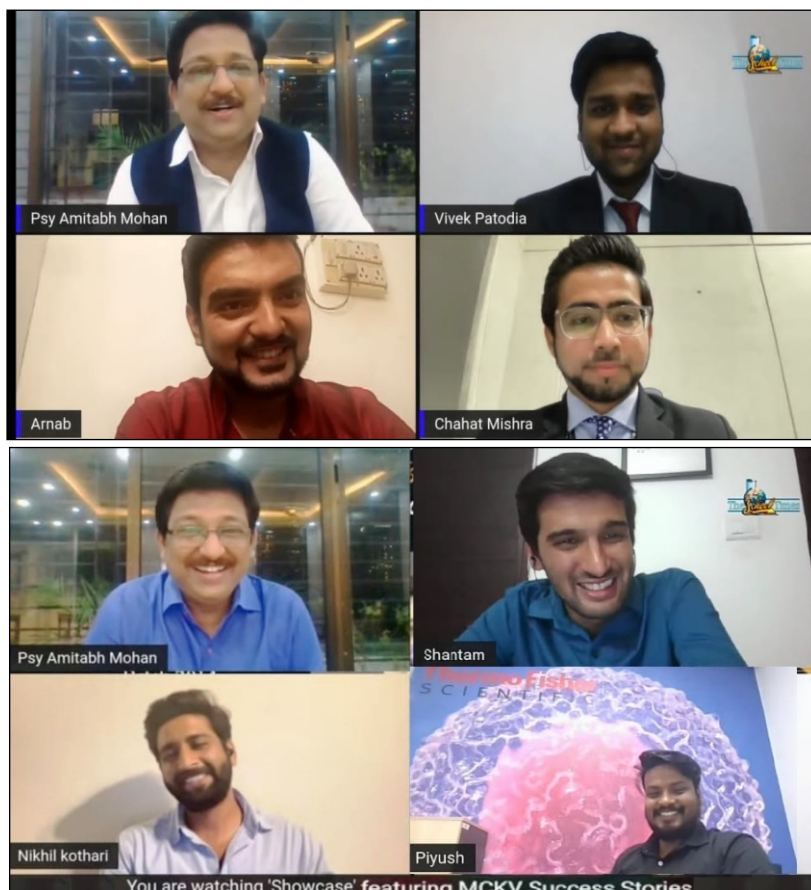

MCKV has always focused on the holistic formation of the students, who are formed to excel and stand out in academics, to be innovative and resourceful in ideas and deeds and to be optimistic and unswerving in the face of adversities. This was evidently reflected throughout the COVID-19 pandemic during which countries went into a lockdown, lives were pulled to a standstill and educational institutions were forced into a new normal. However, nothing could shake the indomitable spirit of our institution and all those who are associated with it.

While sailing through the tough year, we saw a silver lining in the dark cloud and made use of every bit of opportunities to the best of our abilities. Rightly said Winston Churchill: "The pessimist sees difficulty in every opportunity. The optimist sees the opportunity in every difficulty."

All the experiences and perseverance that we had gained this year, would surely be instrumental for us in facing our problems and taking risks with a smiling face and in a graceful manner. So, Cheer Up! May the Christmas season fill your life with good health, new hope, positivity, success, joy and bliss!

Merry Christmas and a very happy, safe and prosperous New Year!

CELEBRATING MCKV SUCCESS STORIES: AN INTERACTION BETWEEN MR. AMITABH MOHAN AND MCKVIANS (PART 2 AND PART 3)

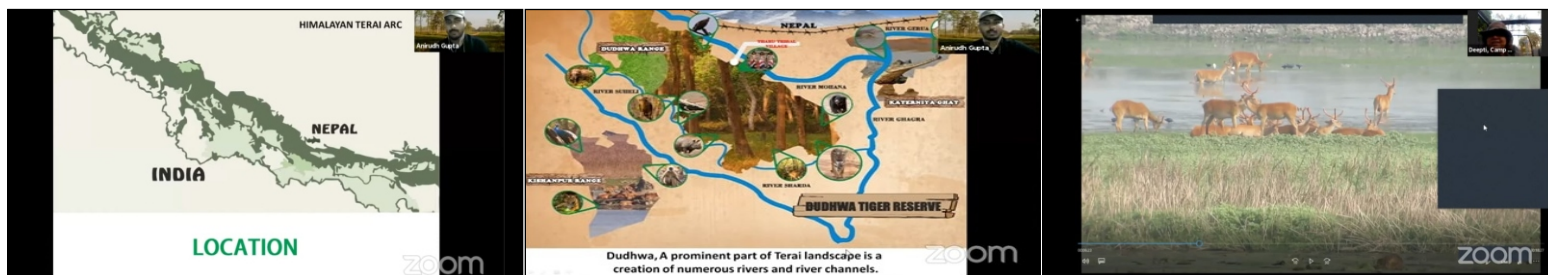

The much-awaited second and third chapters of MCKV Success Stories were streamed live on the YouTube channel of The School Times, one of India's leading learning platforms, on the evenings of 2nd and 9th December, 2021 respectively. Our hearts swelled with pride as the entire MCKV fraternity watched six of our former students, Arnab Banerjee (ISC 2010), an actor in a famous Bengali soap opera; Chahat Mishra (ISC 2015), Head International Relations Woxsen University and Vinit Patodia (ISC 2013), a chartered accountant in MCKV Success Stories Part 2 and Piyush Das (ISC 2006), a biotechnologist; Nikhil Kothari (ISC 2010), an entrepreneur and Shantam Yagnik (ISC 2014), a research scholar in Part 3 to embark on a lively conversation with Mr. Amitabh Mohan, an eminent psychologist, and Founder & MD, HLS India, in his popular talk show, Showcase.

Our students took a trip down memory lane, revisiting warm memories of school life and acknowledging the invaluable role played by MCKV in shaping their own success stories. For the entire team, the evenings turned out to be extremely enriching and fulfilling, something that all of us will cherish for years to come.

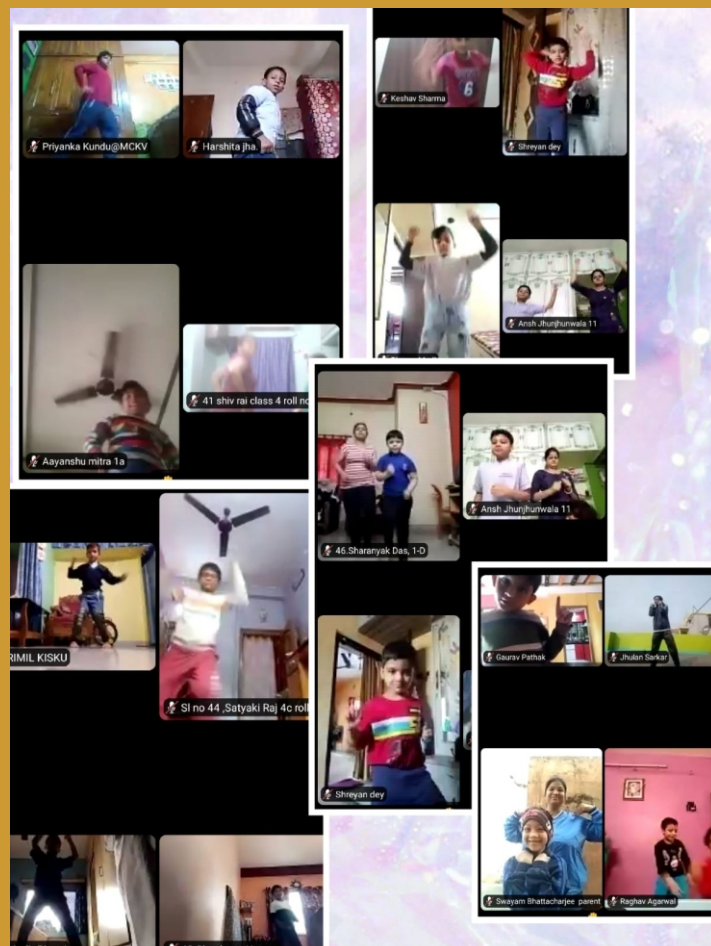

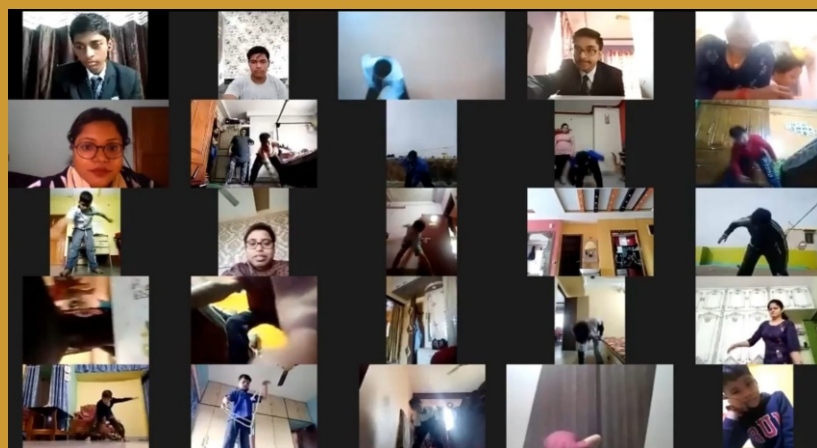

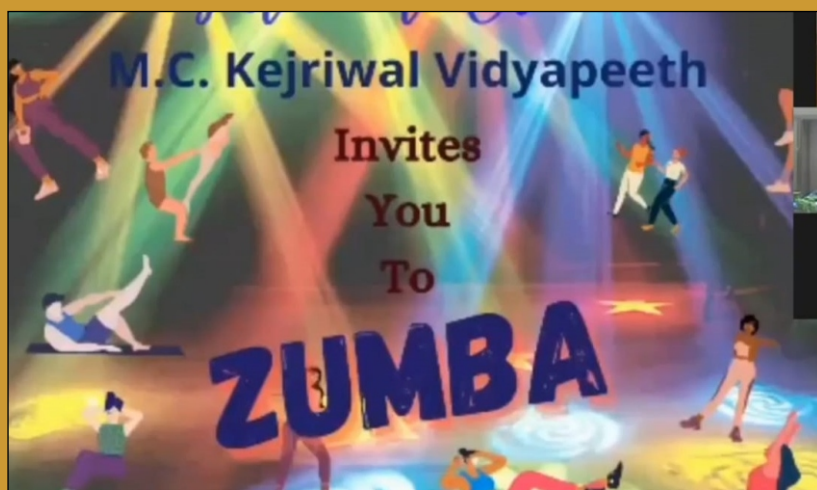

VIRTUAL JUNGLE SAFARI

In a trying and surreal year such as the one that has just passed us and whose effects we are still reeling from, MCKV forayed into new frontiers, made the best of the prevailing circumstances to unite education with innovation and redefine the boundaries of possibility. The virtual safari of the Dudhwa Tiger Reserve in Uttar Pradesh was arranged for the students of Classes 5 and 6 on 12th November, 2021, and for Classes 7 and 8 on 4th December, 2021. The camp leader took the students around the tiger reserve in a jeep and the students could spot many animals like a leopard, deer, kingfisher, elephant, crocodile and nilgai also known as the blue bull. Children thoroughly enjoyed the virtual safari. Undoubtedly, the event has been able to ignite curiosity in the young minds and enrich their lives with experiences.

ZUMBA SESSION

In these days of our confinement, we need to stay fit and develop endurance to combat all odds. Taking this into consideration, the Interact Club of M. C. Kejriwal Vidyapeeth organised a Zumba session on 12th December, 2021. Its fun quotient was very appealing to the children as it provided them an outlet to jump, dance, shake and swing. The session started with an inspiring introductory speech by Sidharth Dugar of Class 11C, highlighting the importance of Zumba in the present scenario. This was followed by a Zumba session by the Interactors. The students of Classes 1 to 4, accompanied by their parents, watched the session virtually and performed every moves enthusiastically. The students got immense motivation to remain fit and enjoyed the session a lot, fulfilling the main motive of the event.

THE ACHIEVERS OF INTER-HOUSE COMPETITIONS

ENGLISH RECITATION COMPETITION

SESSION:2021-2022

GROUP A: CLASSES 1 & 2

POSITION	HOUSE	NAME OF THE STUDENT	CLASS & SECTION	ROLL NUMBER

POSITION	HOUSE	NAME OF THE STUDENT	CLASS & SECTION	ROLL NUMBER
FIRST	ALPHA	AVIRAJ PAL	4B	5919
SECOND	ALPHA	ATRI NANDY	3D	5918
THIRD	THETA	AAYUSH BANERJEE	4B	5874

CULTIVATING CONFIDENCE AND JOY

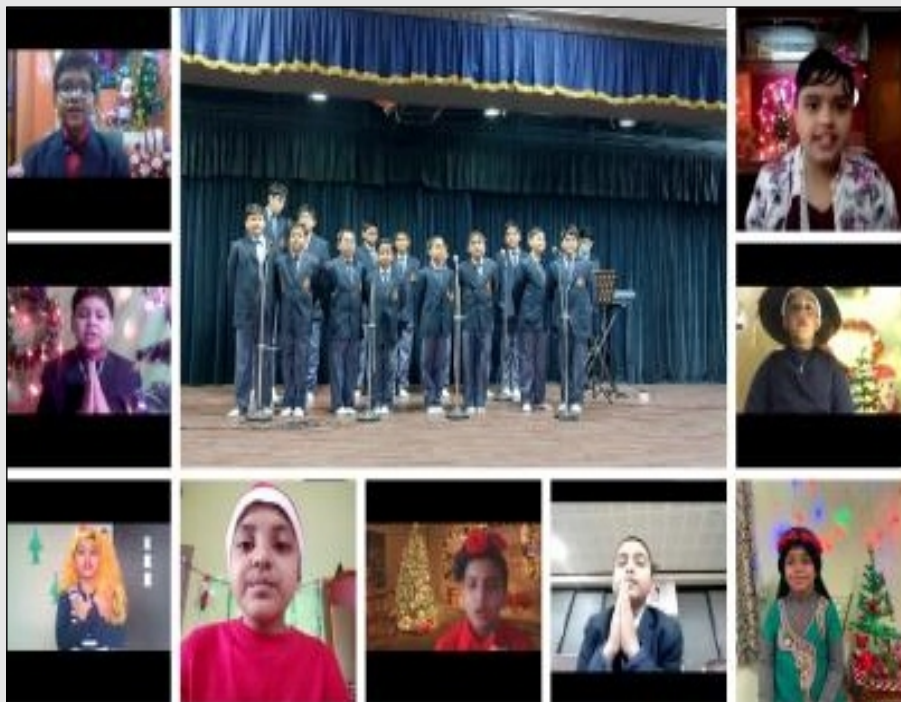

The Interact Club of M. C. Kejriwal Vidyapeeth organised a mental wellness programme and an art workshop for the children of Prabartak Seva Niketan on 27th and 28th November, 2021. The children of the home were guided on how to handle stress, make healthy choices in life and create an emotional, psychological and social balance even in the most difficult times. They were also given lessons in drawing and creative art forms. On 14th December, 2021, the Interact Club and Social Service Group lent a touch of warmth by distributing woollen garments to the children of the home to protect them against the chilly winter.

The smiles on the faces of the children at the end of these programmes were our greatest take away. We hope that the experience proves to be beneficial for both the inmates at the Prabartak Home as well as our Interactors.

“Charity begins at home but should not end there”. - Francis Bacon

SPECIAL ASSEMBLY ON CHRISTMAS

“Peace on earth will come to stay when we live Christmas everyday.”

The ever exuberant festival of joy, merrymaking and rejoicing, Christmas was celebrated by the students of M. C. Kejriwal Vidyapeeth through a special assembly hosted on 23rd December, 2021.

The virtual assembly was conducted by Hridayam Sain of Class 4C and Anirbed Mukherjee of Class 4A. The daily morning shloka chanted by Avinaba Bhauomik of Class 5D purified our souls.

The students made the assembly meaningful by initiating an appeal to reduce personal expenses and stressed the need to spend for those who do not have much. This message was conveyed through a short skit, narrated by Anirbed Mukherjee of Class 4A and enacted by Soumava Nandi of Class 5C, Vivan Kumar Pandit of Class 4C, Yash Jaiswal of Class 3B, Rishav Mukherjee and Kushal Dugar of Class 3C.

The assembly concluded with the joyful rendition of a

Christmas carol and with the spirit and intention to make this Christmas an inclusive experience for at least one of those who cannot afford such festivities.

Indeed, it was truly a wonderful effort by the students, which was able to impress on others the need to show concern for every human being by their little acts of charity and kindness.
