Class XI Admissions 2024-2025 (for students of other schools)

Admissions are now open for Class XI for the session 2024-2025.

The Registration process for admissions is purely online and will have to be completed at www.mckv.edu.in. Registrations will begin on **22 January 2024**.

1. Admission criteria and conditions:

- The streams on offer are Science, Commerce and Humanities.
- Admission will be granted on merit.
- Parents whose wards are appearing for the ICSE/CBSE/MADHYAMIK Examination 2024 may apply.
- Only students who have qualified in English plus four subjects as per the CISCE pass criteria in their Class X Pre-Board/ First Term/Final Term examination are eligible to apply.
- Students appearing for the Science stream in Class XI will have to appear for an admission test in Physics, Chemistry and Mathematics.
- The admission test for the Science Stream candidates will be held on 03/02/2024.
- The syllabus for the admission test will be based on the ICSE syllabus of 2023-2024.
- Selection of students to Class XI will be based on the admission test results (applicable only for the Science Stream), personal interaction with school authorities, consideration of performance in the Class 10 Pre-Board Examination or its equivalent from the last attended school, behavioural conduct, involvement in co-curricular activities, and other relevant criteria.
- Students will be offered Bengali/ Physical Education/ Business Studies/ Humanities Stream only if a minimum number of five applications are received.
- Students who were issued a Transfer Certificate by M. C. Kejriwal Vidyapeeth at any point of time need not apply. If applications are received from such students, they will be rejected and the School authorities will not take any responsibility for the consequences.
- Outstation candidates will not be considered for admission.
- **Registration & Admission charges are non-refundable.**
- **For the students from other boards, admission will be confirmed only after the Council for the Indian School Certificate Examinations confirms their eligibility.**
- A student with a minimum of **40% in Mathematics in the Class 10 First Term/Final Term/Pre-Board Examination** will be placed in the Commerce Stream with Mathematics. Students with **less than 40% in Mathematics in the First Term/Final Term/Pre-Board Examination of Class X** will be placed in the Commerce Stream with Business Studies.
- Science students will have to opt for a combination of **English plus 4 subjects**, while Commerce and Humanities students will have to study a combination of **English plus 5 subjects**.

2. The following subject options are available –

Science	Commerce	Humanities
<ul style="list-style-type: none">• English• Physics• Chemistry• Biology / Computer Science/ Economics• Mathematics / Psychology	<ul style="list-style-type: none">• English• Accountancy• Commerce• Mathematics / Business Studies / Psychology• Economics / Computer Science• 2nd Language/ Physical Education	<ul style="list-style-type: none">• English• History• Political Science / Geography• Economics / Computer• Mathematics / Psychology• 2nd Language/ Physical Education

The National Curriculum Framework for School Education 2023 has recommended that students will be required to choose two languages, at least one of which is native to India, in Classes 11 and 12. Therefore, students may have to study Hindi/ Bengali apart from English as one of the compulsory subjects. However, as of now, we are offering the subject combinations mentioned above, in which Second Language is not included as a compulsory subject, as we are yet to receive a confirmation from CISCE, New Delhi, in this regard.

- Transfer Certificate, Character Certificate & Migration Certificate (if applicable) in the original.

IMPORTANT

- Registration does not imply admission.
- After your child is admitted to the school, if it is found out that the information provided by you at the time of admission was false or inaccurate, the child's admission will be summarily cancelled.
- The Admissions Committee is solely responsible for processing applications and finalizing the selection of candidates. Decisions once taken by the Admissions Committee cannot be altered.
- Any attempt at seeking admission through dubious means such as offering donations and taking recourse to recommendations/influence will automatically debar the candidate from admission to this school. Parents are cautioned against self-appointed agents claiming to act on behalf of the school. The school does not appoint any such agents.
- Any discrepancy/deficiency in the Registration Form will automatically disqualify the candidate.
- **Fees paid at the time of registration and admissions are non-refundable.**
