

Most people are glad at the very thought that they have put the nightmare that was the year 2020 behind them. The pandemic forced the world to pause. This may have something to do with the sea changes that the year brought with it.

The Board Exams, considered sacrosanct and a milestone in the journey of every student's life, were called off this year much in the same lines as that of last year. Anxiety and disappointment hit an all-time high within the students baffling them as to how they would be judged in an unbiased manner. The decision, though concerning for some, was hailed by most on the ground that health is of paramount importance.

Undoubtedly, the academic session 2020 – 2021 has been a one-of-its-kind experience for all the students across the globe. As the human race has come together to battle all adversities, we at M.C. Kejriwal Vidyapeeth have not left any page unturned to cope with the new normal. Our Class of 2021 has become the first batch to graduate the Board examinations with an entire year of online classes. We are proud to announce that despite all the hardships, our students have maintained the legacy of the school's stellar academic achievements. This year too, several of our students have been high achievers and many of them have received a perfect 100 in most of the papers, in both ICSE as well as ISC Examinations. Ankit Mondal aced the

school ranks in the ISC Examination from the Science stream with 99.75% and has been placed fourth in the WBJEE. Keshav Khemka achieved the same feat in the ISC Examination from the Commerce stream also with 99.75%. Among our younger group of scholars, Siddharth Kumar Dugar topped the school rankings in the ICSE Examination with 99.20%.

We feel extremely proud of the achievements of all our students who performed to the best of their abilities and excelled at the examinations during these extremely unpredictable conditions. We firmly believe that with such grit and determination, each one of them will turn out to be extremely well-rounded individuals in the future.

Blood Donation Drive

“Give blood and keep the world beating.”

With a true altruistic spirit on 24th July, 2021, as a part of the 25-year celebration of M.C. Kejriwal Vidyapeeth, a Blood Donation Camp, in association with Saroj Gupta Cancer Centre and Research Institute, was organised at the school campus. The Chief Guest for this drive was Dr. Arnab Gupta, Director and Professor, Department of Surgical Oncology, Saroj Gupta Cancer Centre and Research Institute, Thakurpukur, Kolkata. This initiative was organised with the support and philanthropy of Shri Kishan Kumar Kejriwal, Chairman, M.C.Kejriwal Vidyapeeth . About 127 members of the entire MCKV conglomerate donated blood voluntarily. The entire process was conducted adhering to the set norms in view of the Covid-19 pandemic.

The event served to inculcate a sense of responsibility in the community and to sensitize ourselves in aiding the indigent. Overall, the Blood Donation Drive was a novel way of serving the society at large.

‘Duty, Honour, Country: Those three hallowed words reverently dictate what you ought to be, what you can be, what you will be.’
 Despite the fact that the pandemic with its tentacles still continues to confine us within the four walls of our houses, it really could not dampen the patriotic spirit of the MCKVians. Marking the glory and freedom of the nation, the members of M. C. Kejriwal Vidyapeeth celebrated the 75th Independence Day with great enthusiasm to keep the fervour of this important day alive. This memorable day had been celebrated virtually adhering to the norms of the 'new normal'. The programme commenced with the unfurling of the 'Tricolour' by Mr. Kishan Kumar Kejriwal, Chairman, M.C.Kejriwal Vidyapeeth along with the other staff members in the school basketball ground, was followed by the rendition of the National Anthem. The solemn occasion was graced by the revered virtual presence of Mr.Partha Sarathi

Chakraborty, CEO; Mr. Neelkantha Gupta, Director of MCKV; Dr. Abhijit Lahiri, Principal of MCKV Institute of Engineering and Mr. Bitan Biswas, Principal of Madhusthali Vidyapeeth. This programme was viewed by thousands of viewers through Zoom App while adhering to the regulations of COVID-19.

Having welcomed our guests on this light bedecked morning at the sacred temple of learning, the day began on an auspicious note by lighting of the ceremonial lamp by our Chairman and Headmistress. Shri Kishan Kumar Kejriwal, our revered Chairman, in his speech to the august gathering, stressed on the importance of discipline in order to explore the heights beyond – “ the utmost bound of human thought.” This was followed by an invigorating speech delivered by the School Captain, Md. Sahid Dayer who highlighted the essence of freedom and the duty of youth towards the nation. Indeed, the audience witnessed a grandiose of music, dance and drama performances comprising patriotic songs, speech and character depiction of Barindra Kumar Ghosh, a revolutionary and journalist, who was arrested for his conspiracy against the British empire. The students brilliantly portrayed the historic pre – independence trial scene of the

'Alipore Bomb Case' before us in a pre – recorded short play titled 'The Confession'. The exuberant and scintillating presentation received much deserved appreciation from everyone present. A splendid patriotic mash up on the songs "Desh Rangila" and "Jai ho", and "Chale chalo", "Bharat humko jaan se pyara" and " Chak de" by the students of Classes 3 to 7 and Classes 1 to 12 respectively, truly ignited the fire of patriotism .

The special attraction of the day was of course the oath taking and Investiture Ceremony, whereby, the newly elected members of the Student Council took a pledge to be conscientious about their duty towards their Alma Mater.

On this day, the school also acknowledged the winners of the various inter-house competitions through a powerpoint presentation. An enthralling instrumental rendition of the song 'Chhodo kaal ki batein' by the talented musicians from various classes mesmerised the senses of the audience. The

day's programme came to an end with a vote of thanks proposed by the school Vice-Captain, Hiten Golchha.

It was indeed a day to rejoice, a day to love and respect not only for those who dedicated and sacrificed their lives but also for the ones who are still striving hard to make India a better place for us to live in and experience freedom, peace and unity in diversity.
