"Veni, Vidi, vici"

In the words of Julius Caesar which means "I came, I saw, I conquered", it lays emphasis on the ability of each and every individual to achieve any milestone and overcome any barrier only if they have the confidence and the will to strive hard.

September 2025 had been a month of academic tests along with festive celebrations. Let's take a moment to relive the events of the month.

We entered the month with the First Assessment/Pre-Board Examinations I for the students of Classes 1 to 12. These examinations helped in measuring the progress and performance of the students half way through the academic year.

The school organized a kite-flying event on the occasion of *Vishwakarma Puja*. Students of Classes 9 to 12 participated in this event, enveloping the school's environment with fun and enjoyment.

The month also marked the beginning of the great festive season of the year. We welcomed Goddess *Durga* with great joy and enthusiasm. We hope her divine light falls on everyone and brings peace and glory to all.

As September comes to an end, we move from the gloomy skies to the chilly air of October. As the withered leaves make way for fresh blossoms, we warmly welcome the new month, hoping it brings joy, merriment, and splendid moments to cherish.

Till then, adios amigo.

Gratitude to Teachers

M. C. Kejriwal Vidyapeeth celebrated Teachers' Day on 29 August 2025 with reverence and joy. Senior students welcomed teachers with *tilak* and pens, setting an ambience of warmth and respect. A special assembly, conducted entirely by students, featured a soulful song by Apratim Ray of Class 12A, a melodious presentation by the Music Department teachers, and a graceful classical dance. The School Captain, Kunal Tiwari's heartfelt address, expressing gratitude for teachers' tireless dedication, deeply moved the audience.

The celebration concluded with a cake-cutting ceremony and a delightful role reversal, as senior students enacted the role of teachers, giving their mentors a well-deserved break. Class parties filled with laughter, camaraderie, and delicious food made the day memorable. On 30 August 2025, the School Management organised a special staff outing with a movie, lunch, and thoughtful gifts, making every teacher feel valued and cherished - a true reminder of the bonds that unite the MCKV family.

MCKV's Success - A Proud Moment

We are thrilled to announce that M. C. Kejriwal Vidyapeeth has ranked 3rd in the country, 1st in the state, and 1st in Howrah in the Boys' Day School category of the Education World India School Rankings 2025-2026.

We extend our heartfelt thanks to our parents, students, and the entire MCKV team for their significant contributions in helping the school secure a place among the nation's top-tier institutions.

Srithi : Where Nature Teachers

On 22 September 2025, M. C. Kejriwal Vidyapeeth held a special assembly to release the first issue of *Srithi*, a quarterly newsletter on nature-integrated learning. The programme began with reflections by Hrid Banerjee (6B), followed by the release of the newsletter by Ms Rajlaxmi Dash, Nature Educator, who thanked the team behind its creation. In a symbolic gesture, Ms Debjani Kundu, Middle Stage Coordinator, handed the first copies to Chairman, Mr Kishan Kumar Kejriwal; Director, Mr Neelkantha Gupta; Headmaster, Mr Biswajit Majumdar and HR Manager, Ms Aparna Howlader. The Chairman, in his address, encouraged students to move "from screen time to green time," highlighting the school's vision of holistic, nature-based learning. The release of *Srithi* was both a celebration of creativity and a reaffirmation of MCKV's commitment to nurturing a bond with nature.

Soaring Spirits: Kite Flying on Viswakarma Puja

The school celebrated *Viswakarma Puja* on 17 September 2025 with a vibrant Kite Flying event for Classes 9 to 12. The day began with offering prayers to Lord *Viswakarma*, seeking blessings for creativity and skill.

Students and teachers enthusiastically participated in kite flying, filling the sky with colours and joy. The occasion was graced by the presence of our Chairman, Mr Kishan Kumar Kejriwal; Director, Mr Neelkantha Gupta; and Headmaster, Mr Biswajit Majumdar.

The event beautifully reflected the spirit of freedom, aspiration, and tradition, making it a memorable celebration for all.

MCKV Students Appear for PISA for Schools

On 18, 19, and 22 September 2025, 210 students of Class 10 from M. C. Kejriwal Vidyapeeth appeared for the prestigious Programme for International Student Assessment (PISA) conducted by the OECD, an international body of 38 member nations committed to improving education and quality of life. PISA is a global benchmark that evaluates critical thinking and problem-solving skills, moving beyond conventional examinations. MCKV is proud to be the first school in the Howrah region to participate in this distinguished assessment, a step towards aligning students with global standards of learning. This marks a landmark moment for MCKV, reinforcing its vision of nurturing confident, competent, and responsible global citizens.

Rangtara 2025

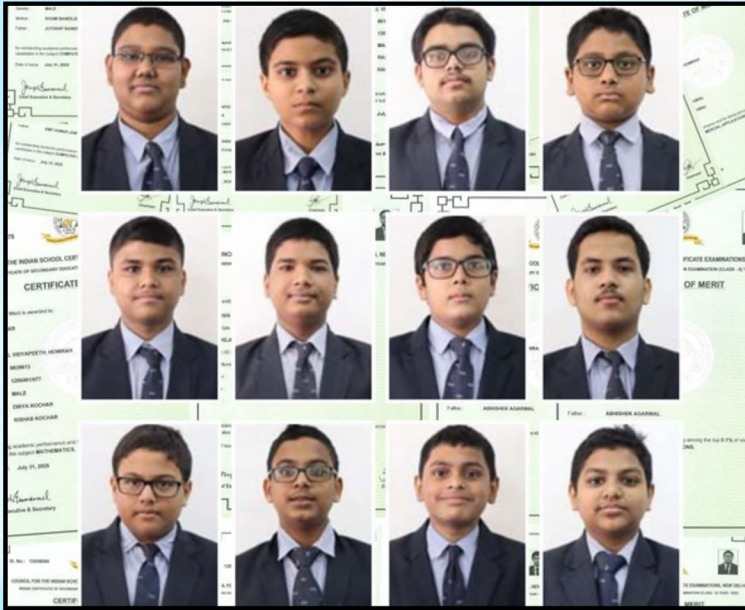

M. C. Kejriwal Vidyapeeth ushered in the festive spirit of *Navratri* and *Durga Puja* with *Rangtara 2025*, a vibrant *Dandiya* Festival for Classes 10, 11, 12 and teachers.

The celebration opened with a graceful dance by teachers invoking the divine *shakti*, followed by a soulful group song. A spectacular highlight was the *Dhunuchi Naach*, performed jointly by students and teachers in honour of *Maa Durga*, which seamlessly transitioned into an energetic *Dandiya* session.

The atrium came alive with colours, music, and rhythm as participants showcased their moves. Excitement heightened with prize categories such as The Best Dressed, The Best Dancing Duo, The Best Solo Dancer, and The Most Energetic Performer, (Student & Teacher).

More than just a celebration, *Rangtara 2025* beautifully blended devotion, joy, and togetherness, strengthening the bond between students and teachers through dance and festivity.

MCKV Students Shine Among India's Top Performers

We are proud to announce that 12 students of M. C. Kejriwal Vidyapeeth, who passed the ICSE Year 2025 Examination, have been honoured with the Certificate of Merit by the Council for the Indian School Certificate Examinations (CISCE), New Delhi.

This prestigious recognition is awarded to candidates who are among the top 0.1% of successful students across India in a particular subject- a testament to their dedication, diligence, and academic excellence.

The awardees from M. C. Kejriwal Vidyapeeth are:

- Chirag Tulsian (History, Civics and Geography)
- Rajdeep Banerjee (Mathematics, Computer Applications and History, Civics and Geography)
- Biplab Mohanty (Mathematics)
- Harshil Agarwal (History, Civics and Geography)
- Krish Kejriwal (Commercial Applications)
- Naitik Jain (Computer Applications)
- Sarvesh Agarwal (Science and Computer Applications)
- Tomosis Dhar (History, Civics and Geography)
- Vishesh Kochar (Mathematics and Computer Applications)
- Debayan Das (Computer Applications)
- Saumya Agarwal (Computer Applications)
- Tamoghna Palit (Computer Applications)

This remarkable achievement reflects not only the brilliance of our students but also the collective commitment of teachers and parents who nurtured them along the way. May their success inspire every learner of MCKV to dream bigger, strive harder, and rise higher!

MCKVians Shine in Ozone Quest 2025

Interact Club of M. C. Kejriwal Vidyapeeth participated in **Ozone Quest 2025**, a prestigious online quiz organized by ESRAG (Environmental Sustainability Rotary Action Group) of South Asia on the theme "Protection of the Planet, Interact, and ESRAG Mission." With over 200 teams in the fray, the event tested knowledge, awareness, and commitment to sustainability.

Our students emerged among the top six finalists and secured the Second Position in the grand finale! Congratulations to team members - Udit Bothra (8D), Lakshya Singhania (8A), and Akshat Choumal (8D).

This achievement not only reflects their passion for global environmental issues but also strengthened their critical thinking, teamwork, and leadership skills in line with Rotary's mission of service and sustainability.
